Dear Parent

Thank you so much for your interest in The Word Academy. We know that parents choose private schools for many different reasons; frustration with beliefs and teaching that doesn't align with values, more quality one on one teacher to student ratio, zoning of public schools, and a want to continue the family bond while allowing your student to advance at their individual speeds. Whichever is the case for you, or something totally different, we believe that The Word Academy can be the answer to many of things you may be looking for. We are not just Christian based as some private schools are. We are a Christian school that follows the teaching of scripture and our statement of faith beliefs. We are a non-denominational Church and school, and we believe with our unique model of small class to teacher ratio, a well-rounded elective and core class schedule, all centered around Christ, your child will thrive. Look through our website, packets, frequently asked questions or give us a call. We look forward to partnering with your family and seeing how God is going to move in your child's life.

Blessings,

Pastor Scott Willmore

Senior Pastor TWCC
